Volunteer at Local Animal Shelter — West Orange, NJ — 2008 – 2013

## PROFILE:

Problem solving is in my blood.

Any problem that I am faced with I can distill and develop a clear, logical, creative solution.

From my personal interests of skateboarding, making music, photography, and film making I have learned to persevere, be determined, and always take my time. Design is a seamless integration of problem solving and perseverance and why I choose to live it.

## EXPERIENCE:

### **Logos**

Equality for All Club, Kean University, Union, NJ — 2015

ROTC Air Force West Orange Division, West Orange, NJ — 2014
