Expected Graduation Date: May 2018

Experience

Kean University RBSD Design Studio

Spring 2018

Intern

Worked with non-profit organizations to accomplish real-world problems through design strategies in a team driven environment.

Melanin & Yoga

2017-Current

Freelance

Head graphic designer involved in projects utilizing multi-disciplinary skills including identity design, photography, and generating advertising collateral across multiple touch points.

True North Incorporated

June 2015

Intern

Shadowed Art Director and Assistant Art Director by attending meetings and having post-meeting discussions that were integral to the creative process.

Assessed prior creative projects and suggested alternate execution strategies for internal approval.

Provided direct support to the creative team via photo research and design challenges.

Assisted with copywriting and the development of logo and layout design.

Children's Aid Society

2010-2017

Started as a volunteer in 2009 learning the fundamentals of child care, while also interacting with the children through different educational activities.

2011 through 2017 worked as a counselor during the summer camp program and winter after school program.

Provided supervision of children entrusted to the Children's Aid Society for care and development.

Some of the duties included:

Coordinating activities with camp counselors

Supervising children assigned to me

Participating in planning sessions with senior counselors
